Re: File No. SR-MSRB-2015-05, Rule G-45 Compliance Date Extension

Dear Mr. Fields:

The College Savings Foundation (“CSF”) is a not-for-profit organization with the mission of helping American families achieve their education savings goals by working with public policy makers, media representatives, and financial services industry executives in support of 529 college savings plans (“529 Plans”). CSF serves as a central repository of information about college savings programs and trends and as an expert resource for its members as well as representatives of state and federal government, institutions of higher education and other related organizations and associations. CSF’s members include state 529 Plans, investment managers, broker-dealers, other governmental organizations, law firms, accounting and consulting firms, and non-profit agencies that participate in the sponsorship or administration of 529 Plans.

CSF endorses the comments made by the Investment Company Institute in its response letter to SR-MSRB-2015-05. We appreciate the opportunity both to comment on the matter and to continue the dialogue with the SEC and the MSRB on 529 college savings plans in general. Please do not hesitate to contact us with any questions or for more information. You may reach us by contacting CSF’s Executive Director, Kathy Hamor at (703) 351-5091.

Sincerely,
